As a Roman Catholic Academy, we view all aspects of school life to be part of the wider faith of parish, home and school. The whole curriculum and way of life of our school is designed to enable our pupils to grow in every way to Christian maturity. The Catholicism of the school is more than its Religious Education Policy; our whole curriculum is rooted in a religious understanding of life, based on the teaching of the Gospels. We always try to be positive in our range of rewards and disciplines. In all aspects of school life we aim to demonstrate our school mission statement and virtues.

## 1 Aims

- Create a positive culture that promotes excellent behaviour, ensuring that all pupils have the opportunity to learn in a calm, safe and supportive environment.
- Establish a whole-school approach to maintaining high standards of behaviour that reflect the values of the school.
- Outline the expectations and consequences of behaviour.
- Provide a consistent approach to behaviour management that is applied equally to all pupils.
- Define what we consider to be unacceptable behaviour, including bullying and discrimination.

## 5 Roles and responsibilities

### a. The Trust Board

The Trust Board will monitor the risks and emerging trends in suspensions, permanent exclusions, safeguarding and attendance. Where risk is identified, the Board will challenge the executive team to ensure that effective mitigation is in place.

The Trust Board will review and approve the behaviour policy annually, or in line with any significant update throughout the academic year.

### b. The Local Governing Body

The Local Governing Body is responsible for monitoring the implementation of the behaviour policy and challenge the senior leadership team concerning any emerging trends.

### c. The Headteacher

The Headteacher is responsible for:

- Implementing the behaviour policy.
- Ensuring that all stakeholders understand the behavioural expectations and the importance of maintaining them.
- Ensure a culture of positive behaviour with all stakeholders.
- Ensuring that the school environment encourages positive behaviour.
- Ensuring that staff deal effectively with poor behaviour.
- Monitoring how staff implement this policy to ensure rewards and sanctions are applied consistently to all groups of pupils.
- Providing new staff with a clear induction into the school's behavioural culture to ensure they understand its rules and routines, and how best to support all pupils to participate fully.
- Offering appropriate training in behaviour management, and the impact of special educational needs and disabilities (SEND) and mental health needs on behaviour, to any staff who require it, so they can fulfil their duties set out in this policy.
- Ensuring this policy works alongside the safeguarding policy to offer pupils both sanctions and support when necessary.
- Ensuring that the data from the behaviour log is reviewed regularly, to make sure that no groups of pupils are being disproportionately impacted by this policy (see section 13.1).
- Ensure that the behaviour policy is uploaded to the website.

### d. Staff

**Staff are responsible for:**

- Implementing the behaviour policy consistently.
- Teaching the behaviour curriculum on a termly basis and ongoing.
- Communicating with parents in a timely, sensitive and professional manner.
- Creating a calm and safe environment for pupils.
- Establishing and maintaining clear boundaries of acceptable pupil behaviour.
- Communicating the school's expectations, routines, values and standards through teaching behaviour and in every interaction with pupils.
- Modelling expected behaviour and positive relationships.
- Making reasonable adjustments as required in conjunction with the SENDco.
- Recording behaviour incidents promptly (see appendix 3 for a behaviour log).
- Challenging pupils to meet the school's expectations.

The senior leadership team (SLT) will support staff in responding to behaviour incidents.

### e. Parent and carers

The school will endeavour to build a positive relationship with parents and carers by keeping them informed about developments in their child's behaviour, the school's policy, and working in collaboration with them to resolve behavioural issues.

Any in year updates will be uploaded to the website and changes communicated to parents.

**Parents and carers, where possible, should:**

- Get to know the school's behaviour policy and support it at home.
- Support their child in adhering to the school's behaviour policy.
- Inform the school of any changes in circumstances that may affect their child's behaviour.
- Discuss any behavioural concerns with the class teacher promptly.
- Take part in any pastoral work following misbehaviour (for example, attending reviews of specific behaviour interventions).
- Raise any concerns about the management of behaviour with the school directly, while continuing to work in partnership with the school.
- Take part in the life of the school and its culture.

**f. Pupils**

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Support and induction will be provided for pupils who join during the school year.

**Pupils will be made aware of the following during their induction into the behaviour culture:**

- The expected standard of behaviour they should be displaying at school using the behaviour curriculum.
- That they have a duty to follow the behaviour policy.
- The school's key rules and routines.
- The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards.
- The pastoral support that is available to them to help them meet the behaviour standards.

## **6 School behaviour curriculum**

At St Joseph's Primary and Nursery School we develop children's character through our behaviour curriculum which is rooted in Christ's teaching and based on Gospel Virtues. In order to build character, we define the behaviours and habits that we expect students to demonstrate at all times. We want to support our pupils to grow into adults who are polite, respectful, grateful, kind, responsible and who always consider others. We believe that as pupils practise these behaviours, over time they become automatic routines that positively shape how they feel about themselves and how other people perceive them. Overtime, these form part of each child's character so that they demonstrate the virtues in all areas of their lives.

## Teaching the curriculum

The curriculum is taught explicitly during the first week in Autumn term alongside the traditional National Curriculum subjects. Children should learn the content of the curriculum so that they can recall the information and act upon it. At the start of each term, the behaviour curriculum is revisited with pupils and will continue to be reinforced throughout the year. Teachers will also demonstrate these behaviours and ensure pupils have time to practise these (particularly in the first few days of term). For example, a lining up order should be taught in the classroom but must be reinforced in different locations and times throughout the school day e.g. at lunchtime. It is expected that all pupils and staff will know this content and that staff will use the language of virtues and the behaviour curriculum when rewarding and reminding children throughout the school day.

More information about the behaviour curriculum and key routines can be found in the 'Behaviour Curriculum'.

Pupils are expected to:

- Demonstrate the behaviour curriculum, mission statement and school virtues.
- Show respect to members of staff and each other.
- In class, make it possible for all pupils to learn using the class charter.
- Move quietly around the school wonderful walking.
- Treat the school buildings and school property with respect, caring for our Common Home.
- Wear the correct uniform at all times and 'Dress to Impress'.
- Accept sanctions when given.
- Refrain from behaving in a way that brings the school into disrepute, including when outside school or online.

### a. Mobile phones

Mobile phones are not allowed in school. In exceptional circumstances, children can bring a mobile phone. However, these should be handed into the school office as they enter school and not be collected until they leave.

## 7 Responding to behaviour

### a. Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged.
- Display the behaviour curriculum, teach this and model it.
- Consistently reward positive behaviour.
- Develop a positive relationship with pupils, which may include:
  - Meeting and greeting pupils in the morning and throughout the school day.
  - Modelling and applying the key routines detailed in the behaviour curriculum.
  - Communicating expectations of behaviour in ways other than verbally.

- Highlighting and promoting good behaviour.
- Concluding the day positively and starting the next day afresh.
- Having a plan for dealing with low-level disruption.
- Using positive reinforcement.

## b. Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. For this reason, concerning behaviour is recorded on CPOMS to ensure that patterns can be clearly identified.

We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm.

Where this may be the case, we will follow our child protection and safeguarding policy, and consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

Please refer to our child protection and safeguarding policy for more information.

## c. Responding to good behaviour

When a pupil's behaviour meets or goes above and beyond the expected behaviour standard, staff will recognise it with positive recognition and reward. This provides an opportunity for all staff to reinforce the school's culture and ethos.

Positive reinforcements and rewards will be applied clearly and fairly to reinforce the routines, expectations and norms of the school's behaviour culture.

### Rewards- praise in public (PIP)

A child's reward within the school is to receive the praise of their teacher and the acceptance of their friends. Some children need more than just praise; some are in need of motivation to achieve.

### Learners' Code

Our Learners' Code focuses on strengthening learning behaviour across school, identifying certain behaviours as being that of either Bronze, Silver or Gold learners. Our pupils have supported staff in devising this. At the beginning of a new school year or when starting their education here, each child is given a green wristband to show that they are such a valued and welcome member of the St. Joseph's family. When children progress through the code, they will receive the appropriate wristband – bronze, silver or gold - which will then entitle them to certain privileges. The children have also decided that if they don't display the appropriate behaviours then they can also have privileges removed.

### House System

As each child enters St Joseph's, they become members of a 'house' - a small community. Each 'house' is given a colour and a name. There are four such houses:-

St. Joseph's

St. Bernadette's  
St. Teresa's  
St. Philip's

Through this house system, we encourage group loyalty, commitment and conformity to good behaviour. The means of this encouragement is by reward and the reward can be a point for their house (a dojo). Thus the children who work hard and are successful in any little way can gain house points.

They can receive dojo points in different ways:

a) Good work    b) Helping in our community    c) Sport    d) Being a good role model

When the children receive enough dojo points, they are able to "purchase" a range of items from the St. Joseph's Shop.

The Head Pupils of the school are responsible for calculating the total of dojo points collected for each house; these totals are then displayed in the school hall.

At the end of each half term, the winning house will be awarded a prize. The winner of the half term will receive extra breaktime and the winner of the whole term will receive an additional prize (i.e non uniform, a trip to the park).

### Awards Assemblies

In order to praise individual children, we hold a termly Awards Assembly. It is during these times that the children can receive individual praise for being hardworking, industrious or successful, in all areas of school life. They receive a certificate to record the happy event.

### Over and Above Behaviour

Dojos and wristbands are earned for demonstrating the school virtues and, 'The St Joseph's Way'. At St Joseph's we aspire for excellence and so children are awarded for demonstrating over and above behaviour. This is behaviour which is exceptional for that individual child and therefore deserves to be celebrated.

Hot Chocolate Friday- Throughout the week, children are able to write down the name of children they see demonstrating over and above behaviour and nominate them into a class box. Each week, the class teacher and teaching assistant will choose someone from the box to go for Hot Chocolate with the Headteacher.

Postcards- each member of staff have 12 postcards for the year. They are able to send a postcard home at any point during the academic year to any pupil they see demonstrating over and above behaviour.

### d. Responding to misbehaviour

When a pupil's behaviour falls below the standard that can reasonably be expected of them, staff will respond in order to restore a calm and safe learning environment, and to prevent recurrence of misbehaviour.

Staff will endeavour to create a predictable environment by always challenging behaviour that falls short of the standards, and by responding in a consistent, fair and proportionate manner, so pupils know with certainty that misbehaviour will always be addressed.

De-escalation techniques, including the use of pre-arranged scripts and phrases, can be used to help prevent further behaviour issues arising.

All pupils will be treated equitably under the policy, with any factors that contributed to the behavioural incident identified and taken into account.

When giving behaviour sanctions, staff will also consider what support could be offered to a pupil to help them to meet behaviour standards in the future.

### Sanctions- reprimand in private (RIP)

Occasionally, children may not respond to the rewards system and their behaviour may need further support and intervention. If this is the case, the following graduated approach will be adopted:

1. Reminder (green)
2. Verbal warning (amber)
3. Removal of a dojo (red)
4. Buddy Class system
5. Yellow Card
6. Red Card which includes an internal exclusion to work for a period of time in another class
7. Short fixed term exclusion (suspension)
8. Longer fixed term exclusion (suspension)
9. Permanent exclusion

All classrooms should display the traffic lights with the language, 'reminder, warning, loss of dojo' as a visual reminder of this graduated response and to ensure consistency from all staff.

### Buddy Class

If there are minor, low level behavioural disruptions in class, during lessons, then children may be sent to a buddy classroom for a period of no more than 10 minutes. If they are sent to their buddy class, then they should have work to complete, which is linked to the lesson in class. "Buddy" classes are as follows:

Reception Class & Year 2

Year 1 & Year 3

Year 4 & Year 5

Year 6 children should be sent to Year 5

If a child refuses to leave the classroom and go to their buddy classroom the green, amber, red approach should be followed to tackle the refusal. If the child still refuses, the Deputy Headteacher or Headteacher should be called.

After a period of 10 minutes, the child should then return to their own class and hopefully be able to carry on with their lesson.

Should there be further disruption, the child should be sent to the key stage leader (Miss Egerton KS2 and Mrs Dexter KS1) for a further 10 minutes.

Should there be any further disruption, the child should be sent to the Deputy Headteacher for a further 10 minutes.

Should there be any further disruption, the child should be sent to the Head Teacher for a further 15 minutes.

If a child is sent to a buddy class following the green, amber, red approach then parents should be informed at the end of the day and the incident should be recorded on CPOMS.

If a child has to be sent to the Deputy Headteacher or Headteacher, this should be recorded on CPOMS.

If there is an incident or incidents which are concerning or which require a quick response, then the Headteacher should be sent for immediately. Depending on the severity of the incident, the class teacher or Headteacher will inform parents. All incidents of this nature should be recorded on CPOMS.

#### e. Reasonable force

Reasonable force covers a range of interventions that involve physical contact with pupils. All members of staff have a duty to use reasonable force, in the following circumstances, to prevent a pupil from:

- Hurting themselves or others.
- Damaging property to the extent of causing injury to themselves or others.
- If a criminal offence is being caused, if appropriate the police should be contacted.

Incidents of reasonable force must:

- ***Always be used as a last resort***
- Be applied using the minimum amount of force and for the minimum amount of time possible.
- Be used in a way that maintains the safety and dignity of all concerned.
- Never be used as a form of punishment.
- Be recorded and reported on CPOMS and school must inform parents/carers.

When considering using reasonable force, staff should, in considering the risks, carefully recognise any specific vulnerabilities of the pupil, including SEND, mental health needs or medical conditions.

#### f. Searching, screening and confiscation

Searching, screening and confiscation is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

**Ensure you contact your DPS team for advice and support.**

#### Confiscation

Any prohibited items (listed in section 3) found in a pupil's possession as a result of a search will be confiscated. These items will not be returned to the pupil.

We will also confiscate any item that is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents/carers, if appropriate.

### 7.6.1 Searching a pupil

Searches will only be carried out by a member of staff who has been authorised to do so by the headteacher, or by the headteacher themselves.

Subject to the exception below, the authorised member of staff carrying out the search will be of the same sex as the pupil, and there will be another member of staff present as a witness to the search.

An authorised member of staff of a different sex to the pupil can carry out a search without another member of staff as a witness if:

- The authorised member of staff carrying out the search reasonably believes there is risk that serious harm will be caused to a person if the search is not carried out as a matter of urgency; **and**
- In the time available, it is not reasonably practicable for the search to be carried out by a member of staff who is the same sex as the pupil; **or**
- It is not reasonably practicable for the search to be carried out in the presence of another member of staff.
- Parents must be informed immediately (see 7.6.4 for further detail).

When an authorised member of staff conducts a search without a witness, they should immediately report this to the Headteacher/SLT, and make sure a written record of the search is kept.

If the authorised member of staff considers a search to be necessary, but not required urgently, they will seek the advice of the headteacher, designated safeguarding lead (or deputy) or pastoral member of staff who may have more information about the pupil. During this time the pupil will be supervised and kept away from other pupils.

A search can be carried out if the authorised member of staff has reasonable grounds for suspecting that the pupil is in possession of a prohibited item or any item identified in the school rules for which a search can be made, or if the pupil has agreed.

An appropriate location for the search will be found. This must be out of sight and away from other pupils. The search will only take place on the school premises or where the member of staff has lawful control or charge of the pupil, for example on a school trip.

Before carrying out a search the authorised member of staff will:

- Assess whether there is an urgent need for a search.
- Assess whether not doing the search would put other pupils or staff at risk.
- Consider whether the search would pose a safeguarding risk to the pupil.
- Explain to the pupil why they are being searched.
- Explain to the pupil what a search entails – e.g. “I will ask you to turn out your pockets and remove your scarf”.
- Explain how and where the search will be carried out.
- Give the pupil the opportunity to ask questions.
- Seek the pupil’s co-operation.

If the pupil refuses to agree to a search, the member of staff can give an appropriate behaviour sanction. The member of staff will then contact the headteacher, to try to determine why the pupil is refusing to comply.

If a student is suspected of having an offensive weapon or suspected of being involved in criminal activity the police must be called. This decision will be made on a case-by-case basis, taking into consideration whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.

The authorised member of staff can use reasonable force to search for any prohibited items identified in section 3, but not to search for items that are only identified in the school rules.

An authorised member of staff may search a pupil's outer clothing, pockets, possessions, desk or locker.

'Outer clothing' includes:

- Any item of clothing that isn't worn wholly next to the skin or immediately over underwear (e.g. a jumper or jacket/school shirts being worn over a t-shirt/blazer/shirt pockets)
- Hats, scarves, gloves, shoes or boots

#### 7.6.2 Searching pupils' possessions

Possessions means any items that the pupil has or appears to have control of, including:

- Bags
- Trays

A pupil's possessions can be searched for any item if the pupil agrees to the search. If the pupil does not agree to the search, staff can still carry out a search for prohibited items (listed in section 3) and items identified in the school rules.

An authorised member of staff can search a pupil's possessions when the pupil and another member of staff are present.

If there is a serious risk of harm if the search is not conducted immediately, or it is not reasonably practicable to summon another member of staff, the search can be carried out by a single authorised member of staff.

#### 7.6.3 Informing the designated safeguarding lead (DSL)

The staff member who carried out the search should inform the DSL without delay and record all searches within CPOMs:

- Of any incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of a prohibited item as listed in section 3.
- If they believe that a search has revealed a safeguarding risk.

All searches for prohibited items (listed in section 3), including incidents where no items were found, will be recorded on CPOMs.

#### 7.6.4 Informing parents/carers

Parents/carers will always be informed of any search for a prohibited item (listed in section 3). A member of staff will tell the parents/carers as soon as is reasonably practicable:

- What happened.
- What was found, if anything.
- What has been confiscated, if anything.
- What action the school has taken, including any sanctions that have been applied to their child.

#### 7.6.5 Support after a search

Irrespective of whether any items are found as the result of any search, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

If this is the case, staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether pastoral support, an early help intervention or a referral to children's social care is appropriate.

If the child has a social worker, they will be informed by the school.

#### 7.6.6 Strip searches

The [Police and Criminal Evidence Act 1984 \(PACE\) codes of practice - GOV.UK \(www.gov.uk\)](http://www.gov.uk) states that strip searches on school premises should only be carried out by police officers.

Staff will consider the potential for a strip search taking into account the pupil's mental and physical wellbeing and the risk of not recovering the suspected item and will then contact the police to enact this.

**Under no circumstances should a member of staff conduct a strip search of a pupil.**

Once the police are on school premises, the decision on whether to conduct a strip search lies solely with them as stated in the [Police and Criminal Evidence Act 1984 \(PACE\) codes of practice - GOV.UK \(www.gov.uk\)](http://www.gov.uk). The school will advocate for the safety and wellbeing of the pupil(s) involved. Staff retain a duty of care to the pupil involved and should always advocate for pupil wellbeing.

**In the event a strip search is deemed necessary by the police, an appropriate adult must be present.**

#### 7.6.7 Communication and record-keeping

**The DPS team must be contacted immediately, if a strip search is being considered.**

Where reasonably possible and unless there is an immediate risk of harm, before the strip search takes place, staff will contact at least 1 of the pupil's parents/carers to inform them that the police are going to strip search the pupil, and ask them whether they would like to come into school to act as the pupil's appropriate adult. If the school can't get in touch with the parents/carers, or they aren't able to come into school to act as the appropriate adult, a member of SLT (Senior Leadership Team) can act as the appropriate adult.

In the event of contact with parents being unsuccessful before the strip search, the pupil's parents/carers will always be informed by a member of the SLT once a strip search has taken place.

The school will keep records of strip searches that have been conducted on school premises, and monitor them for any trends that emerge.

#### 7.6.8 Who will be present

For any strip search that involves exposure of intimate body parts, there will be at least 2 people present other than the pupil, except in urgent cases where there is risk of serious harm to the pupil or others.

One of these must be the appropriate adult, except if:

- The pupil explicitly states in the presence of an appropriate adult that they do not want an appropriate adult to be present during the search, and
- The appropriate adult agrees.

If this is the case, a record will be made of the pupil's decision and it will be signed by the appropriate adult (and pupil, if possible).

No more than 2 people other than the pupil and appropriate adult will be present, except in the most exceptional circumstances.

The appropriate adult will:

- Act to safeguard the rights, entitlements and welfare of the pupil.
- Not be a police officer or otherwise associated with the police.
- Be a member of the SLT.
- **Be of the same sex as the pupil, unless the pupil specifically requests an adult who is not of the same sex or if there is not a member of the same sex in school.**

The search will not be carried out anywhere where the pupil could be seen by anyone else.

#### 7.6.9 Care after a strip search

After any strip search, the pupil will be given appropriate support, irrespective of whether any suspected item is found. The pupil will also be given the opportunity to express their views about the strip search and the events surrounding it.

As with other searches, the school will consider whether the pupil may be suffering or likely to suffer harm and whether any further specific support is needed (due to the reasons for the search, the search itself, or the outcome of the search).

Staff will follow the school's safeguarding policy and speak to the designated safeguarding lead (DSL). The DSL will consider whether, in addition to pastoral support, an early help intervention or a referral to children's social care is appropriate.

Any pupil(s) who have been strip searched previously will be given particular consideration, and staff will consider any preventative approaches that can be taken.

### g. Off-site misbehaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips).
- Travelling to or from school.
- Wearing school uniform.
- In any other way identifiable as a pupil of our school.

Sanctions may also be applied where a pupil has misbehaved off-site, at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school.
- Poses a threat to another pupil.
- Could adversely affect the reputation of the school.

### h. Online misbehaviour

The school can issue behaviour sanctions to pupils for online misbehaviour when:

- It poses a threat or causes harm to another pupil.
- This could be within school or out of schools hours.
- It could have repercussions for the orderly running of the school.
- It adversely affects the reputation of the school.
- The pupil is identifiable as a member of the school.

### i. Suspected criminal behaviour

If a pupil is suspected of criminal behaviour, the school will make an initial assessment of whether to report the incident to the police and contact their link DPS.

When establishing the facts, the school will endeavour to preserve any relevant evidence to hand over to the police.

If a decision is made to report the matter to the police, the headteacher will make the report.

The school will not interfere with any police action taken. However, the school may continue to follow its own investigation procedure and enforce sanctions, as long as it does not conflict with police action.

If a report to the police is made, the designated safeguarding lead (DSL) will make a tandem report to children's social care, if appropriate.

All elements will be recorded on CPOMs.

### j. Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
  - Manage the incident internally
  - Refer to early help
  - Refer to children's social care
  - Report to the police

Please refer to our child protection and safeguarding policy for more information.

#### k. Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will consider whether to discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer (LADO), where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy and managing allegations against staff protocol, for more information on responding to allegations of abuse against staff or other pupils.

## 8 Serious sanctions

### a. Removal from classrooms

In response to serious or persistent breaches of this policy, the school may remove the pupil from the classroom for a limited time.

Pupils who have been removed will continue to receive education under the supervision of a member of staff. This education will be meaningful, but it may differ from the mainstream curriculum.

Removal is a serious sanction and will only be used in response to serious misbehaviour. Staff will only remove pupils from the classroom once other behavioural strategies have been attempted (Green, Amber and Red), unless the behaviour is so extreme as to warrant immediate removal.

Removal can be used to:

- Restore order if the pupil is being unreasonably disruptive.
- Maintain the safety of all pupils.
- Allow the disruptive pupil to continue their learning in a managed environment.
- Allow the disruptive pupil to regain calm in a safe space.

Pupils who have been removed from the classroom are supervised by a member of staff, and will be removed for a maximum of 10 minutes (see Buddy Classes)

Pupils should be reintegrated into the classroom as soon as it is appropriate and safe to do so. The school will consider what support is needed to help a pupil successfully reintegrate into the classroom and meet the expected standards of behaviour.

Parents/carers will be informed on the same day that their child is removed from the classroom.

Staff will record all incidents of removal from the classroom in the behaviour log, along with details of the incident that led to the removal, and any protected characteristics of the pupil.

#### b. Internal Suspension

As part of a whole school approach to behaviour and attendance, internal suspension usually offers immediate, short-term provision in order that learning and teaching for the majority of pupils can continue uninterrupted. Any period of internal suspension should be for the shortest time possible. It is good practice to ensure there is a clear and shared understanding between all staff, children and young people, parents and carers about this policy and practice involved in internal suspension.

Parents and carers will be notified in advance of an internal suspension (A Red Card).

#### c. Suspension and permanent exclusion

Headteacher must inform the DPS team in the event of a Permanent Exclusion.

The school can use suspension and permanent exclusion in response to serious incidents or in response to persistent poor behaviour which has not improved following in-school sanctions and interventions.

The decision to suspend or exclude will be made by the headteacher and only as a last resort.

**Please refer to our OLOL suspensions and exclusions policy for more information.**

## 9 Responding to misbehaviour from pupils with SEND

## a. Recognising the impact of SEND on behaviour

The school recognises that pupils' behaviour may be impacted by a special educational need or disability (SEND).

When incidents of misbehaviour arise, we will consider them in relation to a pupil's SEND, although we recognise that not every incident of misbehaviour will be connected to their SEND. Decisions on whether a pupil's SEND had an impact on an incident of misbehaviour will be made on a case-by-case basis.

When dealing with misbehaviour from pupils with SEND, especially where their SEND affects their behaviour, the school will take its legal duties into account when making decisions about enforcing the behaviour policy. The legal duties include:

- Taking reasonable steps to avoid any substantial disadvantage to a disabled pupil being caused by the school's policies or practices ([Equality Act 2010](#)).
- Using our best endeavours to meet the needs of pupils with SEND ([Children and Families Act 2014](#)).
- If a pupil has an education, health and care (EHC) plan, the provisions set out in that plan must be secured and the school must co-operate with the local authority and other bodies.

As part of meeting these duties, the school will anticipate, as far as possible, all likely triggers of misbehaviour, and put in place support to prevent these from occurring.

The behaviour curriculum is for all pupils to aim to achieve. However, it will be applied differently in different year groups depending on pupils' age and individual educational needs. For example, some pupils may find it very uncomfortable to maintain eye-contact with adults or frequently display 'wonderful walking'. Therefore, sensitivity must be applied at all times by all staff when reinforcing the behaviour curriculum.

Any preventative measures will take into account the specific circumstances and requirements of the pupil concerned:

- Short, planned movement breaks for a pupil with SEND who finds it difficult to sit still for long.
- Adjusting seating plans to allow a pupil with visual or hearing impairment to sit in sight of the teacher.
- Individual behaviour plans shared with all staff.
- Adjusting uniform requirements for a pupil with sensory issues.
- Training for staff in understanding conditions such as autism.
- Use of separation spaces (sensory zones or nurture rooms) where pupils can regulate their emotions during a moment of sensory overload.

## b. Adapting sanctions for pupils with SEND

When considering a behavioural sanction for a pupil with SEND, the school will consider whether:

- The pupil was unable to understand the rule or instruction.
- The pupil was unable to act differently at the time as a result of their SEND.
- The pupil was likely to behave aggressively due to their particular SEND.

If the answer to any of these is 'yes', it may be unlawful for the school to sanction the pupil for the behaviour.

The school will then assess whether it is appropriate to use a sanction and if so, whether any reasonable adjustments need to be made to the sanction.

#### c. Considering whether a pupil displaying challenging behaviour may have unidentified SEND

The school's special educational needs co-ordinator (SENCO) may evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents/carers to create the plan and review it on a regular basis.

#### d. Pupils with an education, health and care (EHC) plan

The provisions set out in the EHC plan must be secured and the school will co-operate with the local authority and other bodies.

If the school has a concern about the behaviour of a pupil with an EHC plan, it will make contact with the local authority to discuss the matter. If appropriate, the school may request an emergency review of the EHC plan.

## 10 Supporting pupils following a sanction

Following a sanction, the school will consider strategies to help the pupil to understand how to improve their behaviour and meet the expectations of the school.

This could include daily check in and reintegration meetings.

## 11 Pupil transition

#### a. Inducting incoming pupils

The school will support incoming pupils to meet behaviour standards by offering an induction process to familiarise them with the behaviour policy and the wider school culture.

#### b. Preparing outgoing pupils for transition

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information relating to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

## 12 Training

As part of their induction process, our staff are provided with regular training on managing behaviour, including training on:

- The Behaviour Curriculum.
- The needs of the pupils at the school.
- How SEND and mental health needs can impact behaviour.

Behaviour management will also form part of continuing professional development.

## 13 Monitoring arrangements

### a. Monitoring and evaluating behaviour

The school will collect data on the following:

- Behavioural incidents, including removal from the classroom.
- Attendance, permanent exclusions and suspensions.
- Use of pupil support units, off-site directions and managed moves.
- Incidents of searching, screening and confiscation.
- Perceptions and experiences of the school behaviour culture for staff, pupils, governors, trustees and other stakeholders (via anonymous surveys).

The data will be analysed every term by Headteacher or Deputy Headteacher (DLS). This data will also be shared with Governors at termly meetings.

The data will be analysed from a variety of perspectives including:

- At school level.
- By age group.
- At the level of individual members of staff.
- By time of day/week/term.
- By protected characteristic.

The school will use the results of this analysis to make sure it is meeting its duties under the Equality Act 2010. If any trends or disparities between groups of pupils are identified by this analysis, the school will review its policies to tackle them.

### b. Monitoring this policy

This behaviour policy will be reviewed by the headteacher and full governing body at least annually, or more frequently, if needed, to address findings from the regular monitoring of the behaviour data (as per section 13.1). At each review, the policy will be approved by the headteacher.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the governing body annually.
