This week at St Josephs

Another great week at St Joseph's! It has been a busy week and all of the children have handled this really well.

Year 6 have worked incredibly hard with their SATs this week and we are very proud of how calm and confident they have been throughout. A special mention to all of the other children in school who have been so respectful around school as the children have completed their tests.

On Wednesday, we celebrated the Feast of the Ascension with a beautiful Mass in church.

On Friday, year 5 had a successful reading cafe and our nursery and reception children reverently led prayers in church. Thank you to all parents who were able to attend these events.

Another great week at St Joseph's! We will update Facebook on Sunday with the events for next week and look forward to seeing all of our children next week.

Have a lovely weekend,

Mrs Seaman

If any of our families have any unwanted adult or child football shirts with numbers on the back that they would like to donate, please take them to the school office. Thank you for your support with this.

In September 2013 the Education (Pupil Registration) (England) (Amendment) Regulations 2013 came into force. These regulations make it clear that Headteachers should not grant approval for any leave of absence during term-time, including holidays, unless there are exceptional circumstances.

If your child is absent from school during term time for the purpose of a family holiday or any other unauthorised absence you may be issued with a Penalty Notice.

SMILERS

SMILERS is a whole school approach to wellbeing.

This week, we have been thinking about how we can use this to support our mental health across school. As part of OPAL, the children have been using the 'Calm Caravan' to help them regulate and take some calming time out of their play.
